

ST JOHN THE BAPTIST D.H.S.
1170 MONTAUK HIGHWAY
WEST ISLIP, N.Y. 11795

Dear Parent or Guardian,

The end of the school year will be approaching before you know it. **This is a reminder that all medications need to be picked up at the Health Office before the end of the school year.** Any medication left here will be discarded.

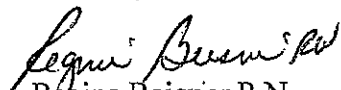

All medication forms can now be down-loaded at St. John the Baptist web site along with physical forms and applications for working papers at www.stjohnthebaptistdhs.net/. This form must be completed by your physician and signed by physician and parent/guardian. If your child has asthma and you would like him/her to carry an inhaler in school, or if your child needs to carry an Epi-pen, the physician must state he/she may self medicate. ONLY INHALERS AND EPI-PENS MAY BE CARRIED BY THE STUDENT. ABSOLUTELY NO OTHER MEDICATIONS ARE TO BE IN THE STUDENT'S POSSESSION. All medications including over the counter medication must have the internal medication permission form filled out.

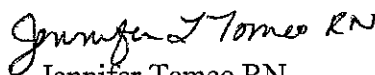

Please return the completed forms to us before the beginning of the school year so there will be no interruption in the administration of any medication your child requires. This includes prescription and over the counter drugs such as Tylenol, Advil, etc. Please bring any medications required by your child to the Health Office on the first day of school.

If you have any questions or concerns regarding the administration of medication in school, please do not hesitate to contact the nurse's office at 587-8000 ext. 123.

Thank you for your cooperation.

Sincerely,

Regina Beisner R.N.
School Nurse
